

## **REQUEST FOR QUALIFICATIONS – AIRPORT ENGINEERING SERVICES**

The City of Onida, South Dakota, will accept statements of qualifications (SOQ) from qualified engineering firms for engineering services for proposed development on the Onida Municipal Airport, Onida, South Dakota. SOQ's will be accepted until August 5<sup>th</sup>, 2024, and are to be submitted to: P. O. Box 72, Onida, South Dakota 57564-0072. Please submit 2 copies for the selection committee.

Engineering Services for the following projects listed on the CIP for a period of up to a maximum of five years from 2025 through 2029.

- Pavement Maintenance
- Design Revenue Producing Hangar
- Construct Revenue Producing Hangar
- Design and Construct Apron Reconstruction

Statements of Qualifications shall set forth the qualifications to accomplish engineering services for the period of the years 2025 through 2029 at the Onida Municipal Airport. Firms shall demonstrate their qualifications by addressing the questions contained in the "Consultant Selection Criteria" Copies of the "Consultant Selection criteria" for this airport project can be obtained at Onida City Hall in Onida, South Dakota.

The selected firm is encouraged to obtain DBE engineering services or provide "Good Faith Effort" for this project.

Upon receipt of Statement of Qualifications, the City of Onida shall select the most qualified firm to perform the anticipated work. Selection will be performed in accordance with FAA Advisory Circular 150/5100-14E. Anticipated fees shall not be included in the SOQ, and each project will be negotiated with the selected firm following the selection period.

Interested firms may contact Rondha Hiller at 605-258-2441 if they have any questions regarding this RFQ.
